

ACTS 435 information

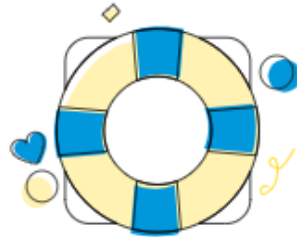

Alongside our advice, we can also make ACTS 435 application requests on your behalf. If you have any questions on what the ACTS 435 application is and what is needed for an application request to be made, please talk to one of our Advisors.

*Please note that not all applications might not go through, and they are not immediate payments.

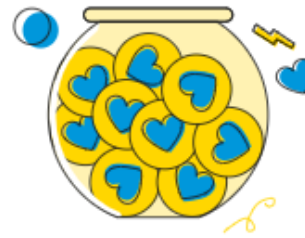

How it works

A local church or charity becomes an Acts 435 partner

Partners post urgent needs on behalf of people in their community

Donors read stories of need and give through the Acts 435 platform

Partner contacts person in need and gives the item so desperately needed

Who is ACTS 435

ACTS 435 is a national Christian charity that directly connects those who want to help with those who are facing poverty or hardship, often helping an individual or family bridge the gap when facing a financial crisis.

Requests for help are posted onto the ACTS website by a partner church or local charity. Donors visit our website and give any amount towards these requests. 100% of their donation goes directly to the person they choose to support, as the administrative costs of ACTS 435 are fully funded by Gift Aid.
